

Hi,

We received your notice for move out. Thank you. **Please provide forwarding address if you have not already. This can be done via your online portal!**

It is your responsibility to care for the property and abide by all lease obligations until expiration date. **Keys, remotes etc. can be left on property in a drawer.**

Please keep one key with you to lock door behind you and hide that key somewhere once door is locked. Please report back to propmanager@landlordpm.com where the key is hidden and our office will go secure the property.

Security Deposit accounting will be mailed to forwarding address you provide. Per the lease this deposit must be mailed **out 30 days after lease expiration**. If we can mail out sooner we will.

Thanks and best wishes moving forward!

Thanks again and best wishes moving forward!
